

Amendments to our T&Cs during Coronavirus pandemic

Fees if your child has symptoms or confirmed Covid-19

If your child has to self-isolate because they have symptoms only (or someone in their family does), then our normal sickness terms apply and fees will remain payable.

In the unfortunate circumstance that your child is confirmed to have Covid-19 (subject to providing LCA a signed certificate from a medical practitioner and test result), you will only be obligated to pay 50% of your child's fees for the number of days your child is required to self-isolate stipulated by the applicable government guidelines in effect at the time (**provided that** such fee discount shall only apply in respect of a maximum continuous period of 14 days). Following completion of the self-isolation period, our standard terms and conditions shall apply.

Fees if a child in your child's bubble/room has a confirmed case of Covid-19

In line with government guidance, if there is a confirmed case of a child having Covid-19 in your child's bubble/room at LCA, all children and team members in that bubble/room will have to self-isolate for the number days stipulated by the applicable government guidelines in effect at the time.

If your child is required to quarantine because another child is confirmed as having Covid-19 in your child's bubble/room, you will only be required to pay 50% of your fees for the number of days in which your child is required to be quarantined (**provided that** such fee discount shall only apply in respect of a maximum continuous period of 14 days). Following this, our standard terms and conditions shall apply.

For the avoidance of doubt if a child in your child's bubble/room has to self-isolate because they have symptoms only, then full fees will still be payable in respect of all children in that bubble/room (i.e. our standard terms and conditions shall apply).

For the avoidance of doubt, a confirmed case of Covid-19 at the nursery in a different bubble/room to your child's will not require your child to self-isolate (and you will still be required to pay full fees and our standard terms and conditions shall apply).

With this in mind, it is very important that you carefully monitor your child's health and do not bring him/her to the nursery if they are displaying symptoms. If your child or a family member are displaying symptoms, please inform your headteacher or head office as soon as possible.

Discount during closure of LCA

Should any LCA location be required to close again as a result of the coronavirus (or similar) pandemic, discounts on fees (if any) will be calculated at the time of closure and dependant on various factors, including (but not limited to) market conditions and government subsidies.

Other than the provisions contained in this addendum, our terms and conditions remain unchanged. Please do get in touch with our head office if you have any questions.
